Purpose of FSG

The purpose of this FSG is to inform you of our services and fees, and assist you when deciding whether to use those services.

- the financial services and products we provide;
- the advice and documents you may receive;
- your privacy and how we collect your personal information;

Not Independent

The Licensee is not “independent”, “impartial” or “unbiased” in relation to the personal advice it provides. The Licensee is not permitted to use those or similar terms in accordance with section 923A of the Corporations Act.

The Licensee is not independent because it is paid commission by life insurers for life insurance policies arranged by the Licensee. Please refer to the sections on Fees in this FSG for further information on commissions the Licensee may receive.

Financial services we provide

The Licensee authorises us to provide financial services including financial product advice (general and personal advice) and deal in financial products including:

- basic deposit products;
- non-basic deposit products;
- managed investment schemes, including Investor Directed Portfolio Services (IDPS);
- government debentures, stocks or bonds;
- securities;
- superannuation, including self-managed superannuation funds;
- standard margin lending facilities;
- retirement savings accounts;
- investment life insurance products, including funeral bonds, endowment policies, allocated pensions and annuities; and
- life risk insurance products, including term life, total and permanent disability, trauma and income protection.

In addition, we provide a suite of professional services to assist with estate planning, wills, family trusts and companies. We also have relationships with a number of professionals, including lawyers, accountants and mortgage brokers who we can work with to help you achieve your goals.

Approved Product List (APL)

Our Authorised Representatives can only provide advice on financial products that are on our APL, a copy of which is available upon request. The APL includes a range of investment / insurance / superannuation products for our Authorised Representatives to choose from. The products we provide on the APL have been selected by independent committees based on extensive research on a range of factors including performance, costs and risks.

Documents you may receive

In addition to this FSG, you will receive other important documents. Please refer to the following definitions for a description of the documents you are likely to receive:

Statement of Advice (SOA)

If we give personal financial advice to you, we will provide you with a SOA. We must give the SOA to you the first time we provide you with personal advice about financial products or where there has been a significant change in your circumstances.

We provide personal advice when we take your personal circumstances into account when providing the advice. Personal advice can be given on your complete financial situation or on limited areas you require advice on – we will discuss the scope of the advice before we start work.

We must give you the SOA before we provide any services to implement our recommendations. We have legal and ethical obligations to ensure that the advice and recommendations we provide to you are in your best interests.

The SOA will include the following information:

- our advice and the grounds for our recommendations;
- information about fees and commissions that may be received for the advice; and
- any associations, relationships or interests that may influence the advice we provide.

Where the personal financial product advice relates to a basic deposit product, non-cash payment facility or travellers' cheques, an SOA will not be provided.

Record of Advice (ROA)

We may also record our advice through preparing a record of advice in some circumstances instead of providing you with another SOA. If you have not been provided with a copy of the ROA, you may request a copy of it free of charge at any time within seven years after the advice was provided to you, by contacting us.

Client Service Agreement

The Client Service Agreement will be tailored to your specific requirements and outlines the benefits, services and support we will provide you. It will contain terms and conditions for our fees and costs for providing and implementing our advice.

Fee Disclosure Statement (FDS)

If we enter into an ongoing fee arrangement with you, we will provide you with an annual FDS. The FDS contains information about the services you were entitled to receive, the services we provided and the fees you paid in the previous 12 months. The FDS also contains information about the services you are entitled to receive and an estimate of fees to be paid in the next 12 months.

You can renew your ongoing fee arrangement by signing and returning the FDS to us.

Product Disclosure Statement (PDS)

If we make a recommendation on certain financial products (other than securities) or arrange the issue of a financial product, you will receive a PDS. The PDS outlines the key features, significant benefits, risks and fees associated with the financial product.

How can you provide us with instructions?

You can give us instructions in writing, by phone, email or any other means that we agree with you from time to time.

Who do we act for?

Authorised Representatives provide financial services on behalf of the Licensee. In providing those financial services, the Licensee acts on its own behalf.

Fees and charges

We will charge you a fee for personal advice and dealing services we provide to you.

All fees are **inclusive** of GST.

One-off fees

We may charge a one-off fee for providing and implementing a discrete piece of advice, or processing a transaction for you. That fee will either be:

- a fixed fee; or
- an hourly rate; or
- calculated as a percentage of funds under management/advice.

Our fixed fee for personal advice is generally in the range of \$700.00 to \$22,000.00, depending on the amount of work required. We will provide an explanation of how we calculate the fee before we provide advice to you.

Our fixed fee for processing a transaction (i.e. no advice) is dependent on what service agreement you are on – in the event you are on our 'hourly rate' package, you will be charged the applicable rate on the time taken to process your request.

Our hourly rate is \$375.00 per hour, and the total fee payable for our work will be based on the number of hours work done. We will provide an estimate of the number of hours and the total fee payable before we provide advice to you.

Alternatively, if our advice is solely in relation to life insurance products we will not charge a fee. We are remunerated for our life insurance advice by commissions paid by life insurers.

Ongoing fees

If you enter into an ongoing service arrangement with us, we will charge you a yearly fee based on the services you are entitled to receive.

Our annual fee is a fixed fee range from \$650.00 to \$35,000.00 per year paid in monthly instalments from your superannuation or investment cash account.

Fee disclosure

Details of these fees and benefits will be provided to you in an engagement letter or services agreement before we provide advice, and will be included in the SOA or ROA provided to you.

If you enter into an ongoing service arrangement with us, you will also receive an annual fee disclosure statement.

Please contact us if you require any further information about how we or our Authorised Representatives charge and receive fees.

Remuneration, commissions and other benefits

We may receive commissions from life insurance companies.

For all new clients from 1 April 2020, we will decline any commission payable by the insurer or, where that is not possible due to insurer requirements, we will rebate back in full to the client any commission payable.

Initial commission

We may receive commission of:

- up to 66% of the first year's premium for new policies implemented from 1 January 2020
- up to 77% of the first year's premium for policies implemented between 1 January 2019 and 31 December 2019
- up to 88% of the first year's premium for policies implemented between 1 January 2018 and 31 December 2018

Where you change the level of cover on a policy and your premium increases as a result, we may receive commission on the increase in the premium (e.g. if your premium was \$1,000 and it is now \$1,200, we would receive "initial" commission on the additional \$200). This commission is capped at the percentage applicable in the year that you implemented the policy – e.g. if you commenced a policy in June 2018 and increase the cover now, we may receive up to 88% of the increase in premium.

We may also receive "initial" commission on the increase to the premium of existing policies that were implemented prior to 1 January 2018 (where that increase is a result of action by you).

Ongoing commission

We receive ongoing commission calculated as a percentage of the premium paid to the insurer.

Ongoing commission on policies entered into after 1 January 2018 is capped at a maximum of 22% of the commission.

Associations

We are required to disclose any associations or relationships between us, our related entities and product issuers that could reasonably be capable of influencing the financial services we provide to you.

No such associations or relationships exist. If such associations or relationships do come into existence, we will disclose them to you in writing.
